

# BED LINEN

YOUR PRACTICE. YOUR BUSINESS. OUR HELP.

## CARE AND COMFORT

A bed should be a place of comfort and tranquility. To promote the well being of your patients and clients, every product we offer – from our most economical sheet to our best bedspread – will maintain its color, brightness, soft texture and consistency.

Admiral has everything you need to make up the perfect patient room – sheets (from twin to king), pillowcases, thermal blankets, bedspreads, warming blankets, incontinent pads and bath mats.

### Sheets

We offer twin, full, queen and king sizes as well as draw sheets in two sizes. Knit-fitted sheets are also available.

### Pillowcases

Admiral's pillowcases fit a standard size pillow. Your clients will appreciate the soft, comfortable percale fabric.

### Bedspreads

We know durability is important when choosing a spread. Ours feel great but also last - the right choice for those seeking a high-end look and feel.

### Thermal Blankets

The unique, open-cell weave of our thermal blankets offer exceptional comfort. Wide selvages and stabilizing stripes help retain the shape and brightness.
