

# LAB COATS

YOUR PRACTICE. YOUR BUSINESS. OUR HELP.

## PROTECTION, IDENTIFICATION & IMAGE

Healthcare professionals need high-quality, durable coats to wear when meeting with patients or performing procedures. Admiral offers a wide variety of styles and sizes of lab and staff coats. Most coats are available in men's or women's designs.

All lab coats, staff coats and lapel coats can be embroidered with name and department, or we can apply a cost-effective "Ink Jet" color emblem for identification.

Contact Admiral for more information: 800-321-1948

### Lab Coat

Admiral's lab coats are made of performance-blend poplin, and are available in men's and women's styles. Men's coat has a five-button front closure, women's coat has six. Men's: 43 ½" length

### Lapel Coat

The lapel coat features blazer styling with a rounded front. There are three buttons, a top chest pocket and two lower pockets. This coat measures 30 ½" in length (medium size).

### Staff Coat

The staff coat is made of 7.2 oz. twill fabric and features one left breast pocket and two lower pockets. There are side vent openings for access. Men's: 39" length  
Women's: 38 ¼" length

### Cuffed Lab Coat

The cuffed lab coat features knit rib wristlets of 100% polyester. There are six front gripper snaps and no side vents. The coat features one breast pocket and two lower pockets.
